Lorena,

Thank you for the proposed BID boundary map.

The financial records that I requested were not attached to your email.

The second document that was attached concerned the BID document retention policy I was inquiring about. Unfortunately you only sent me an excerpt of the city contract that contains the document retention policy. I will need the entire document so it is clear what year (which will be 3 years from the expiration of the contract) the BID is required to retain records. Please include this contract in its entirety as well as the financial records promised.

Thanks,

Bruce Ecker

Mr. Ecker,

Please be advised that the attached map will not be final until it is approved by the City.

Attached are the financial records for the past three years that you requested.

I would still like to set up a meeting to discuss your feedback on the services of the district. Please provide me a few dates and times that work for both of you.

Thank you for your kind attention.

Best regards,

Lorena Parker

Please send me a copy of the PBID map as it is being developed for the upcoming charter renewal.

I would also like to look at the PBID budgets for the last three years. I would like detail version of these documents, not the summary versions that are handed out at the PBID meetings.

Please let me know when I can expect this information.
